

PRESS INFORMATION

Heading: 3rd quarter 2007 revenues

Nanterre, 8 November 2007

3rd quarter 2007 revenues: +17%

in millions of euros	Q3 2007	Q3 2006	%	Total end Sept. 07	Total end Sept. 06	%
Revenues	36.8	31.4	+17.0%	111.8	92.8	+20.5%
<i>of which organic growth</i>			+14.3%			+15.6%

Achievements

3rd quarter organic growth was still buoyant, in line with the level achieved during the 2nd quarter. Progress remains consistent for both areas of expertise, infrastructures and applications.

3rd quarter operating margin (not audited) reached 10%. Over the first three quarters 2007, operating margin posted a sharp increase as against the previous year, at 8.3%.

Outlook

For 2007, NEURONES confirms its revenue forecast at €150 million and an operating margin at more than 8%.

About NEURONES

With almost 2,000 specialists in Consulting, Integration and Outsourcing, NEURONES, an IT services company, has two core businesses: Infrastructures and Applications. Through its dedicated service centers, the group offers a line of outsourcing solutions on an industrial scale, supporting its customers in the conversion of their Information Systems. NEURONES' customer base includes 35 CAC40 companies. Following 19% growth in 2006, 2007 revenues are expected to increase sharply once again to total €150 million.
