Achievements

2008 took off where a very buoyant 2007 left off.

Over the first quarter, organic growth reached +13.6%.

Owing to a high business level in particular, operating profit* reached approximately 7.7% of revenues at the end of March 2008 (after inclusion of expenses related to free shares and stock options totaling 0.7%), i.e. a one-point improvement of operating margin compared to the first guarter of 2007.
