Achievements

During the third quarter, business activity remained buoyant, with overall and organic growth in keeping with the levels recorded for the first half-year.

The third quarter operating margin (not audited) reached 10%. Over the last three quarters, it totaled 8.8% (9.4% before inclusion of expenses related to stock options and free shares), on a significant rise compared to the previous year (8.3%).

Outlook

Bolstered by the performance level it achieved at the end of September, NEURONES is in a position to review its forecasts upwards for 2008 and is now expecting revenues exceeding the €180 million mark and an operating margin ranging from 8.5% to 9%.
