Achievements

Over the period, organic growth gathers pace by increasing from + 4.3% in the first quarter to + 9.2% in the second, standing at an average + 6.7% growth for the half.

The operating profit (not audited) also rose. Over the first six months, the operating margin stood at 7.7% of revenues (i.e. 8.1% before inclusion of expenses related to free shares, stock options and impairment of intangible assets – 0.4%), a result close to the level achieved during the 1st half of 2009.

Outlook

With constant structures, NEURONES maintains its early forecast of over €225 million in revenues and an operating margin of between 7.5% and 8.5% of revenues for 2010.
